ATTENTION: ALL BIDDERS

TENDER NR: 26/2021: SUPPLY AND DELIVERY OF PREPAID WATER METERS AND SPARE PARTS FOR A PERIOD OF 3 YEARS FOR THE PRINCE ALBERT MUNICIPALITY, PRINCE ALBERT

ADDENDUM No. 2: DOCUMENT CORRECTIONS AND RESPONSE TO QUERIES

No	Description
1.	Queries raised after Tender advertised
1.1	Query: <u>Item 4: 3m Scotchlock uy2 with Sigfox OR equally approved - 3M Scotchlock's are wire connectors and have nothing to do with the Sigfox LPWAN network. I assume the "with Sigfox" should've been added to Item 2 description.</u> Response: Bidders are only required to provide a rate for the 3M Scotchlock Wire Connectors.
1.2	Query: <u>Item 6: 1.5 V110T NRV 'C' 114 battery pack – is the tender specification referring to a water meter which is 1.5 V110T NRV 'C' 114, or is it referring to a battery pack for the prepaid? These are 2 different items.</u> Response: The item refers to the supply of the battery pack only.
